

LOCAL BRIEFS.

BANK CLEARINGS.—Yesterday's bank clearings were \$70,025. For the same time one year ago, they were \$72,121.

W. C. T. U. MEETING.—The W. C. T. U. will hold its regular meeting at the home of Mrs. A. J. Gorman, 433 East Second South street, Friday afternoon, April 18, at 2 o'clock.

MR. ARNOLD IMPROVING.—Friends of the Rev. Franklin L. Arnold, who fell and broke his arm some days ago, will be glad to learn that he is recovering rapidly from the painful injury.

SUTTON IN COURT.—William Sutton, the man who did the shooting in the Utah house on Tuesday evening was arraigned before Judge Diehl yesterday afternoon. He was represented by Attorney Fred Loufow and entered a plea of not guilty to the charge of assault with intent to kill. His preliminary hearing was set for Friday, April 21, and his bail fixed at \$1,000.

MRS. WILSON INVITED.—Ella Wheeler Wilcox, the noted authoress, will be a visitor in Zion today. An invitation has been extended for her to visit the Ladies' Literary club and meet some of the women of the city. It is not known as yet whether she will accept the invitation or not, but it is expected that she will and that she will be at the club house in the afternoon.

DOMINO CONVICTED.—James Domino was yesterday found guilty of selling liquor on Sunday by a jury in the city court. This is the second time that Domino has been convicted on this same charge. The first time, through some technicality, a mistrial was declared and after a conviction had been secured a new trial was called for on these grounds. Attorney Truman, representing the defendant, asked for a stay of execution, which was granted by the court.

ANOTHER DESERTER FROM NAVY.—Word was received yesterday by Mayor Thompson that Carl John Leonard Carvon, who enlisted in Salt Lake, had deserted from the United States training ship Pensacola at San Francisco. His mother, Mrs. Anna Carlson, lives here. Carlson makes the fourth Salt Lake boy to take "French leave" from the navy since the recruiting officers did missionary work here last fall. So far as known none of them have been recaptured. Their desertion loses them their citizenship.

CHARLES M. WOOD PROMOTED.—Charles M. Wood, who for a number of years has been assistant director of the New York Life Insurance company in this city, will leave shortly to take the same position with the company in Oregon. This change is a promotion for Mr. Wood. For ten years Mr. Wood has directed the affairs of the company in this district and the change to the Oregon field was a reward for his services. He will leave for Portland, Ore., at once and will take his family with him. Mr. Wood expects to leave about May 1 next.

LABOR IS SCARCE.—W. H. Murray, representing the California Fruit Growers' and Promoters' committee, of San Francisco, is in the city looking for men and women to secure employment on fruit ranches. The fruit growers of California are facing a difficult labor problem and they are anxious to get men over the country to induce laborers to go to that section. Fruit pickers are in sufficient numbers to handle the crops. As a result efforts are being made to get these laborers from other parts of the country.

SELLS BACK TO MURRAY.—S. A. Ahlberg, who bought some county property situated in Murray at public sale several days ago, yesterday called upon County Clerk John James and deposited with him \$200. Ahlberg had paid a balance of \$300 which he has to pay. Through the deal which he has made with the city officials of Murray, Ahlberg sells the property to that corporation at the same figure at which he bought it, except that he has retained as his profit, so to speak, the lot, which the Murray officials say they really do not want. The property owned by Mr. Ahlberg.
